## TECHNICAL SKILLS

Git, Command Line (Bash), HTML, CSS, Media Queries, Bootstrap, JavaScript, jQuery, Node.js, Express.js, database theory, Firebase, MongoDB, Mongoose, MySQL, Sequelize, API's, JSON, REST, AJAX, React.js, MarkdownPad

## PROJECTS

- Created projects using tools necessary to create full stack applications
- Participated in group projects, was in charge of designing, implementing, and deploying applications

### Home Wallet - (Group) - <https://my-home-wallet.herokuapp.com/>

- Full-stack CRUD App where users can organize documents, contacts and tasks related to homeownership.
- Responsible for front end, API for profile. Used GitHub and GitHub Project Board for integration and organization.
- Built with React, Node, Mongoose, MongoDB, Bootstrap, Reactstrap, Full Calendar, and utilizes the Zillow API. Authentication with bcrypt.

### Mongoose-News Scraper - (Individual) - <https://my-mongoose-news-scraper.herokuapp.com/>

- Full-stack web app lets users view, save, and leave comments on news from the New York Times, Fox, or The Onion.
- Uses Express, Handlebars, MongoDB, cheerio (web scraping), nodemon, Bootstrap, JQuery, Sweet Alert2

### Hot Load - (Group) - <https://hot-load.herokuapp.com>

- Full Stack Web App that allows shippers to enter shipments and carriers to view and accept shipments.
- Team lead who organized and oversaw the development of a responsive CRUD application
- Built with Express on Node.js, Handlebars, MYSQL, Sequelize ORM, Bootstrap, JQuery, Sweet Alert 2, Google Maps API

## EDUCATION

### Southern Methodist University, Dallas, Texas (2019)

- An intensive 24-week long boot camp dedicated to designing and building web applications. Skills learned consisted of HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handlebars, & React Js.

### Baker College, Flint, Michigan (2007 - 2009)

- Associate of Applied Science, Linux/UNIX Systems Technology & Microsoft Certified Technology Specialist - GPA 3.99

## EXPERIENCE

### Certified Residential Appraiser, Appraisal Reviewer, Business Owner (2005- current)

- Real Estate Appraiser who consistently delivered quality and timely reports that met and exceeded client expectations.
- Initiated company relocation program which rejuvenated a failing market.
- Adapted and learned quickly with each career advancement.
- Started appraisal business in 2016 with revenues exceeding \$150,000 yearly.
- Developed processes using modern web applications which saved 2 hours per report and increased hourly revenues.
- Expanded company visibility through developing and managing Wordpress website and social media, as well as educating Realtors through public speaking and being a reliable source of advice.
